

# Trebbiano DOP

*This wine is obtained purely from the monoculture vineyard "Trebbiano Romagnolo". The color is pale straw-yellow with golden hues. The smell is pleasant, rich, dry, and harmonious. The alcohol percentage varies between 11.5% vol. and 12.00% vol.*

**Romagna DOP Trebbiano**

Trebbiano Romagnolo

120 - 140 q.li per hectare

Castel S. Pietro T. hills (BO)

1 - 5 years

8 - 10° C

Cryomaceration of the marc and following thermo-conditioned white fermentation of the free-run must.

This wine is obtained purely from the monoculture vineyard "Trebbiano Romagnolo". The color is pale straw-yellow with golden hues. The smell is pleasant, rich, dry, and harmonious. The alcohol percentage varies between 11.5% vol. and 12.00% vol.

It is an excellent wine and it pairs well with starters, fish, and white meat. It is great as an aperitif and at any moment during the day.

0,75 and 1,5 liters.
